DEPOSIT, INTERIM PAYMENTS & FINAL BALANCE

To secure your booking and chosen date, a completed "Save the Date" form and a non-refundable deposit of £1,500* is required, together with a signed copy of the booking form. A second payment of £1,500* is required one year prior to your wedding date. The final balance is required **4 weeks** before your wedding date. Interim payments can also be taken to spread the cost. Please speak to your co-ordinator if this is something you would like to discuss. (*£750 for Twilight Weddings.)

All payments made are non-refundable and non-transferable, including in the event of a cancellation. Please note that failure to pay the final balance by the due date may lead to the cancellation of your booking with the loss of any deposits made.

All prices are inclusive of VAT. Prices quoted for venue hire are correct as of the date booked. Prices for food and drinks are reviewed annually and may be subject to changes in line with any changes in costs.

Any additional costs incurred during the wedding day must be paid within 7 days post-wedding.

FINAL DETAILS

Approximately 6 weeks before your wedding date, a "Final Details" meeting will be arranged between you and the wedding coordinator to discuss your complete day, including those personal touches specific to your requirements.

Menu selections and final guest numbers are required by this date, which will then form the basis of your final balance invoice. Please note, no reductions to charges or costs will be made if the number of guests in attendance on the day falls below the confirmed number. A minimum number of 60 adult day guests are required.

We would also ask that you share with us your final table plan approximately 7 - 10 days prior to your wedding.

WEDDING INSURANCE

We would always recommend that full wedding insurance is taken out by the bridal party to cover any unforeseen circumstances.

Weddings & Events AT THE COCOABEAN

A romantic wedding scene featuring a bride and groom in a lush, green forest. The bride, wearing a white dress and veil, and the groom, in a grey suit and kilt, are embracing and kissing on a stone path. A small stream flows through the forest floor in the foreground, surrounded by large, mossy rocks. The background is filled with dense, leafy trees, creating a serene and natural setting.
